The Expeditions of Tiwi and Boni

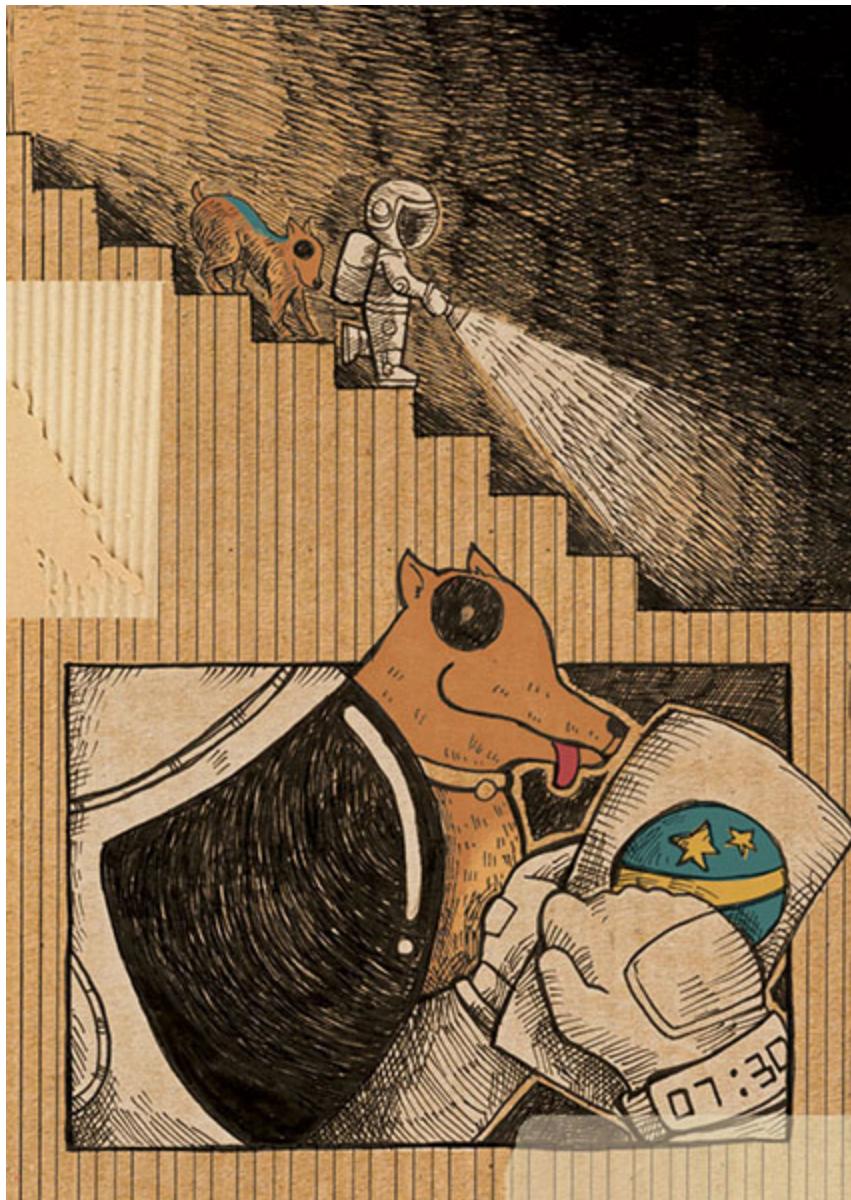

Dewi Tri Kusumah

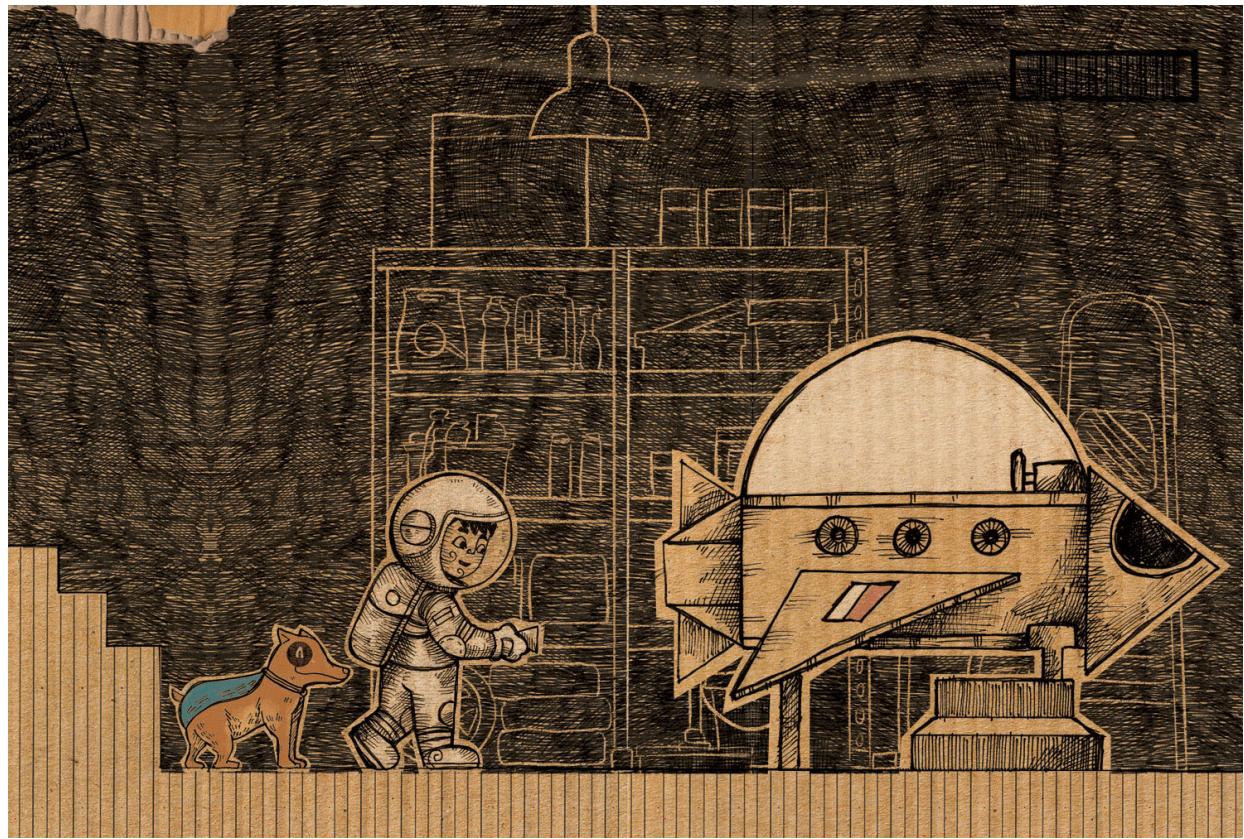

The Asia Foundation

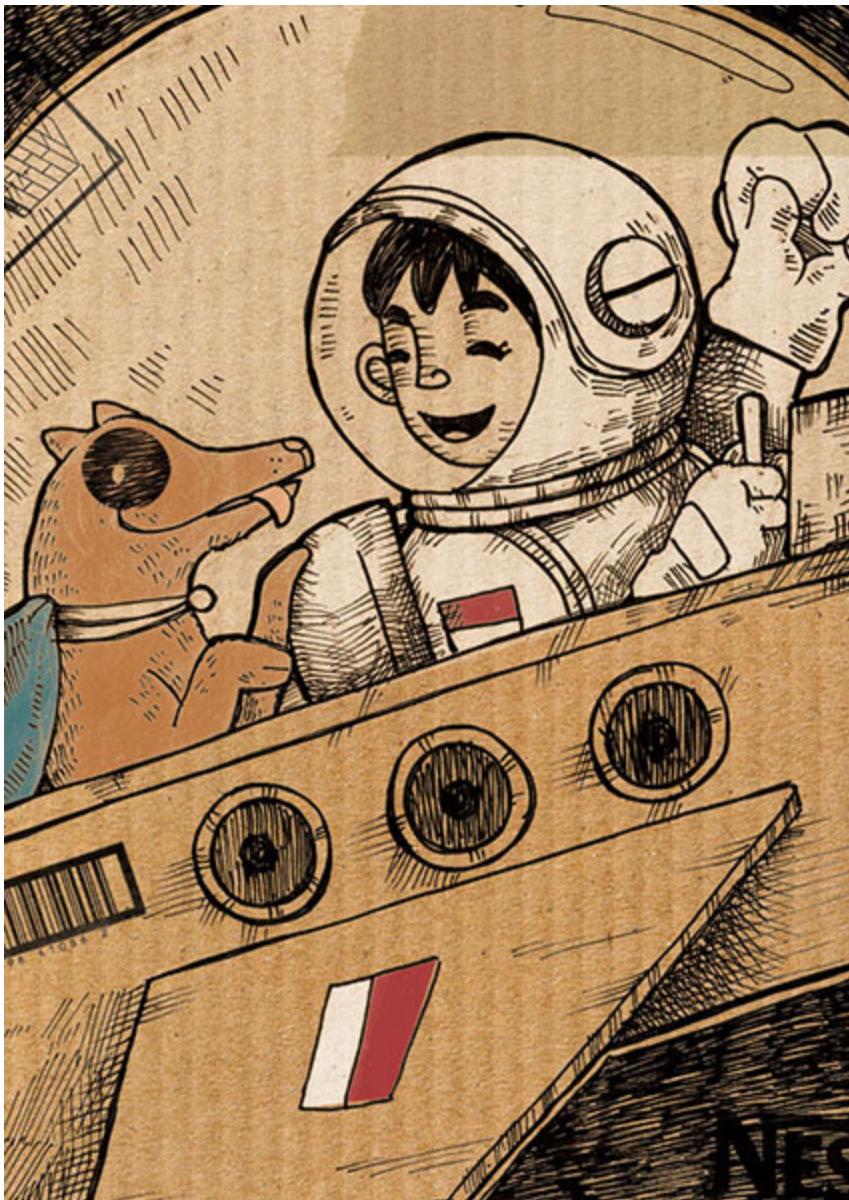

Tiwi and Boni are outer space explorers. Their mission is to find a planet.

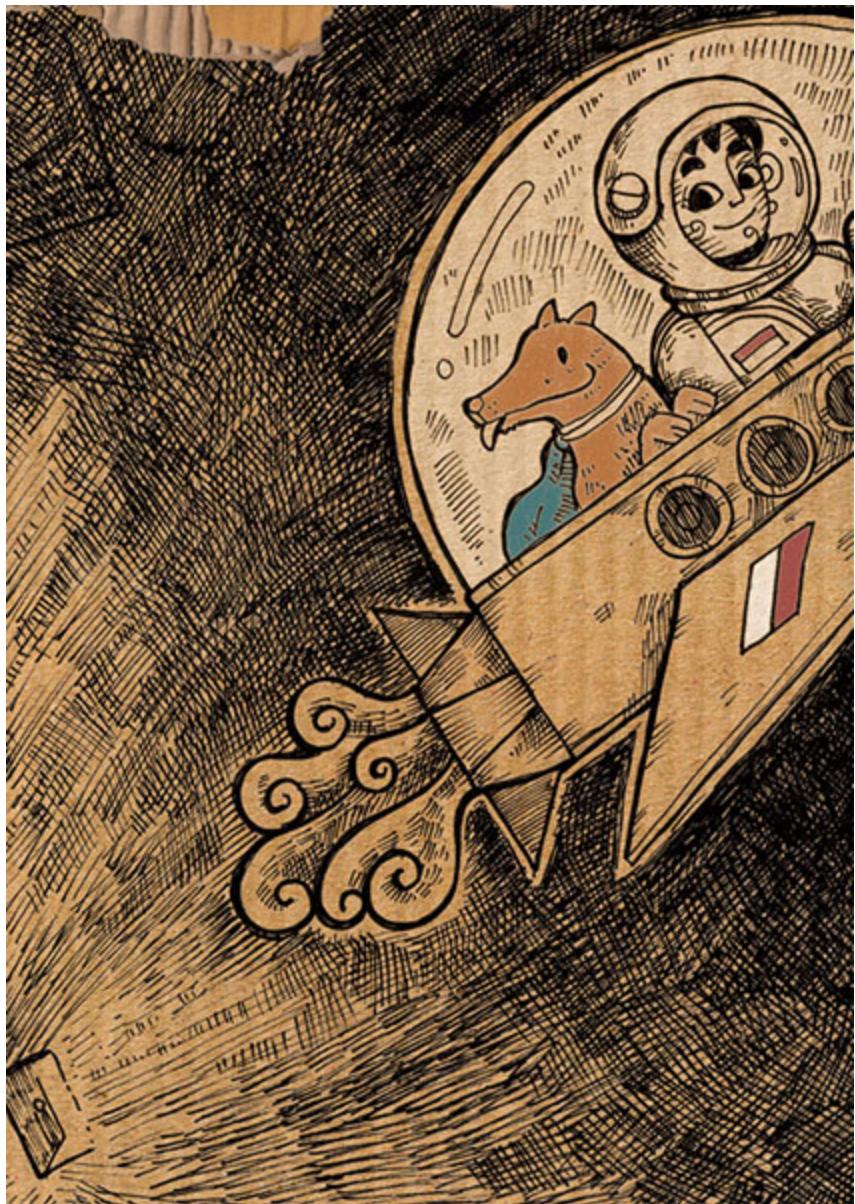

The planet is round and blue. They have to find it very quickly. They don't have much time.

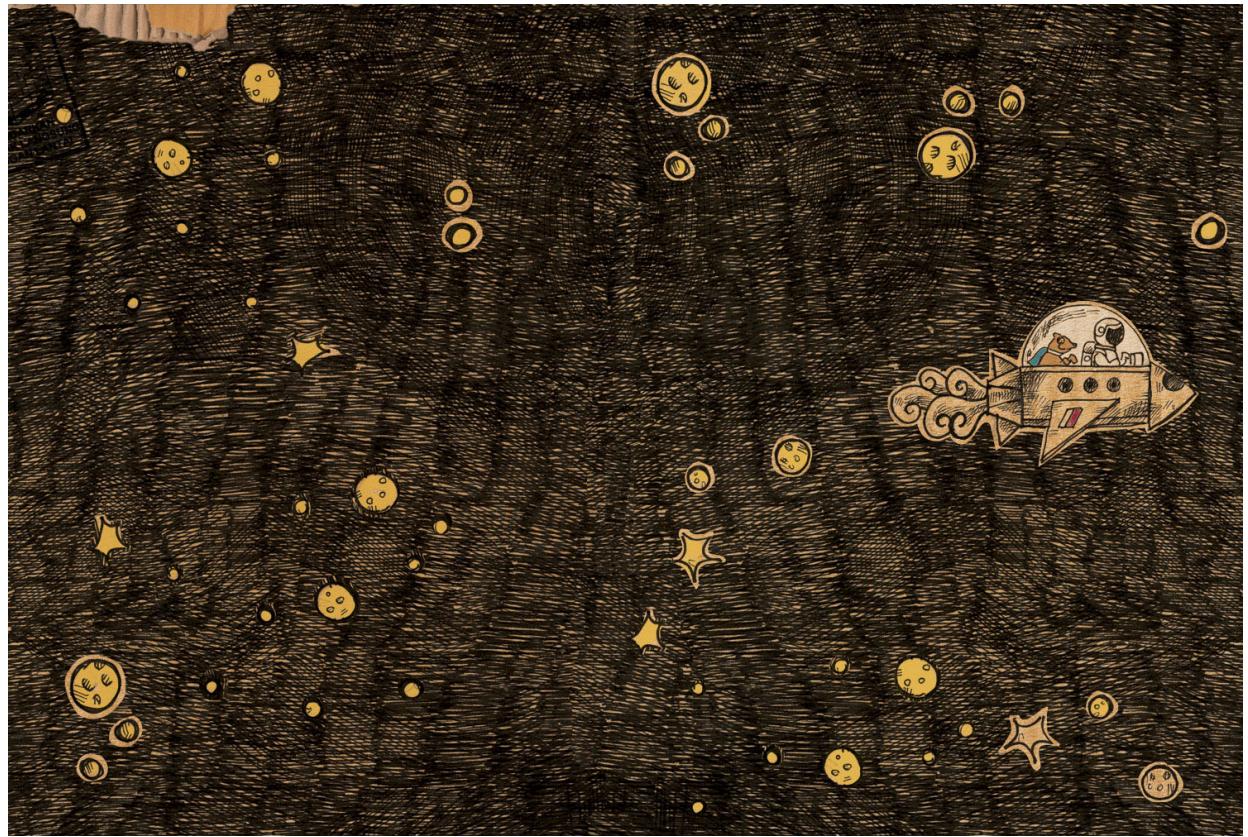

First, they need a spaceship. They search for one in the dark room.

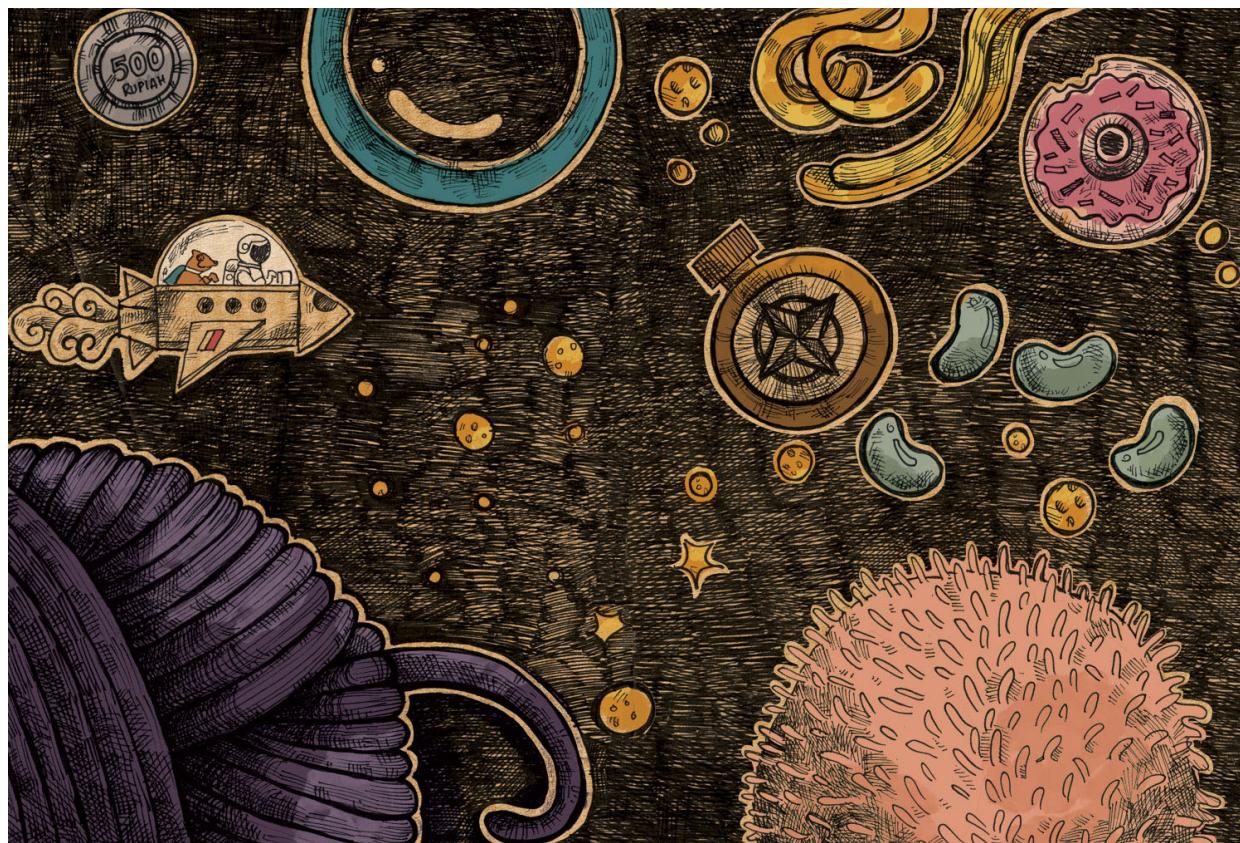

Tiwi and Boni find the spaceship!
They turn on the machine, and are
ready for the expedition. The journey
begins!

The spaceship launches in a flash...

... into a mysterious outer space.

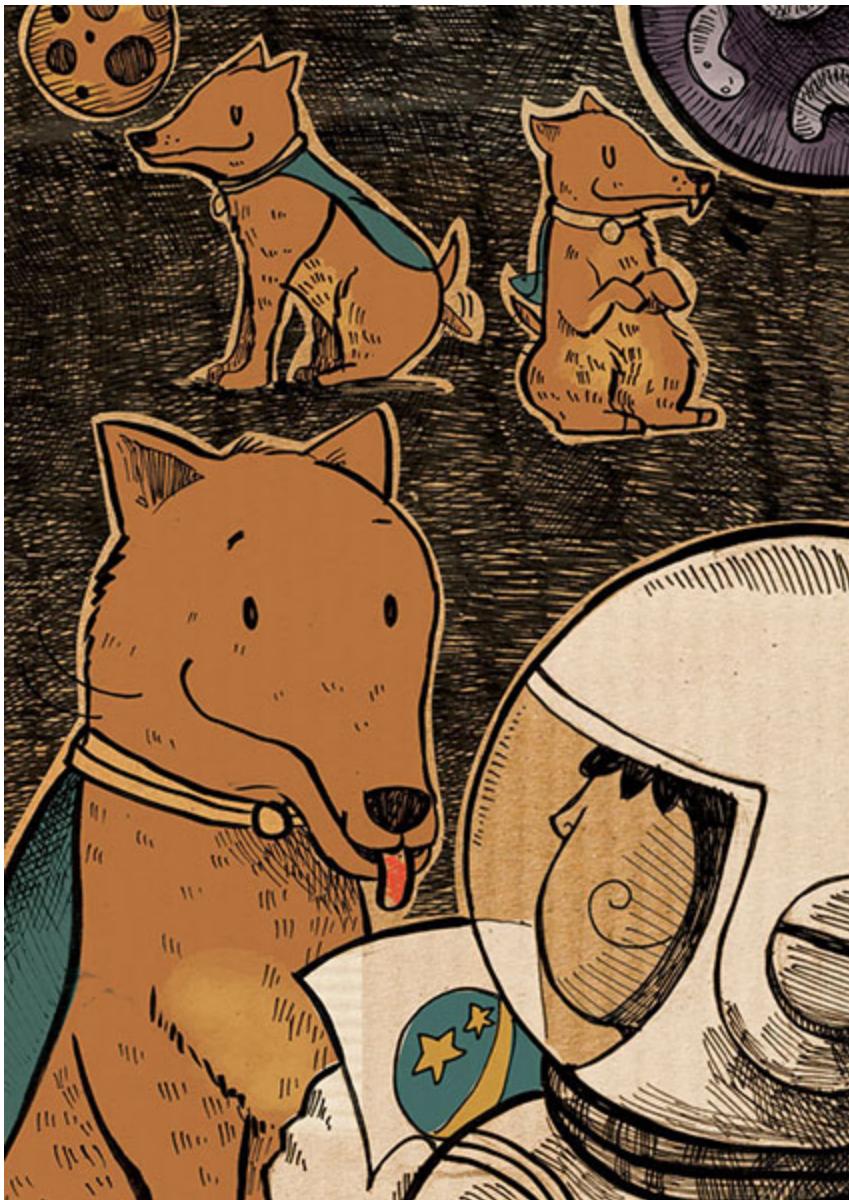

Many objects are floating in outer space. One... two... three... and too many more to count!

Is one of them the planet they're
looking for?

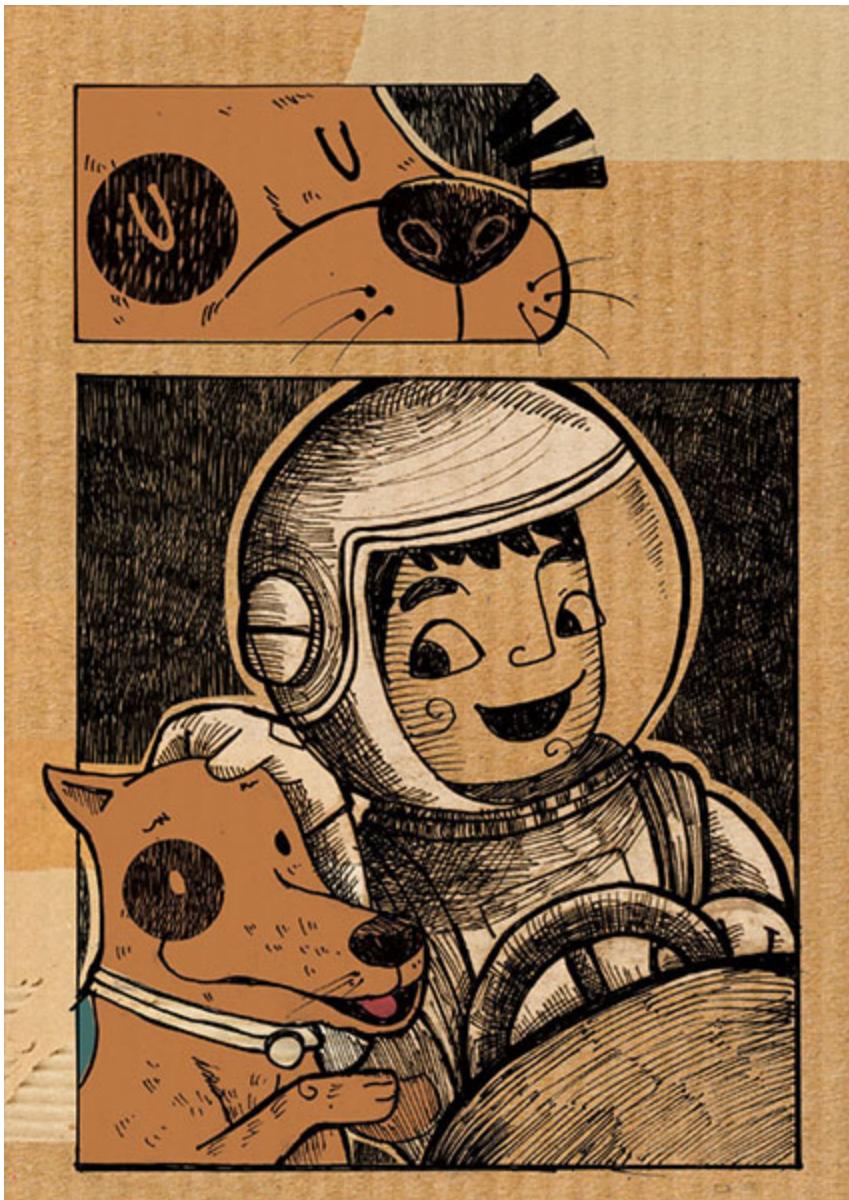

Sniff... sniff... They see two round
planets, but they aren't blue.

Sniff... Sniff... There's one brown polka dot planet. It's not the one Boni's looking for. There's another

round planet, but it's still not the one they're looking for.

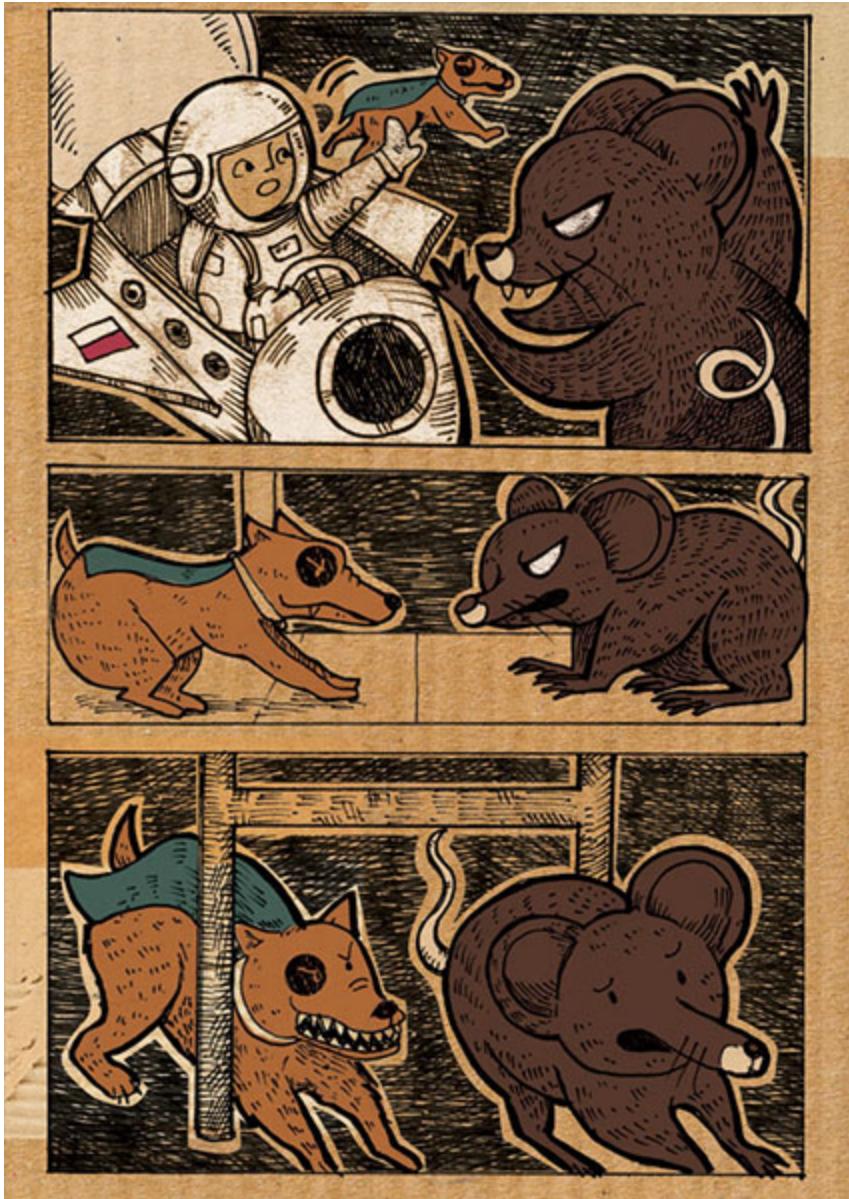

Sniff... sniff... Boni smells something familiar.

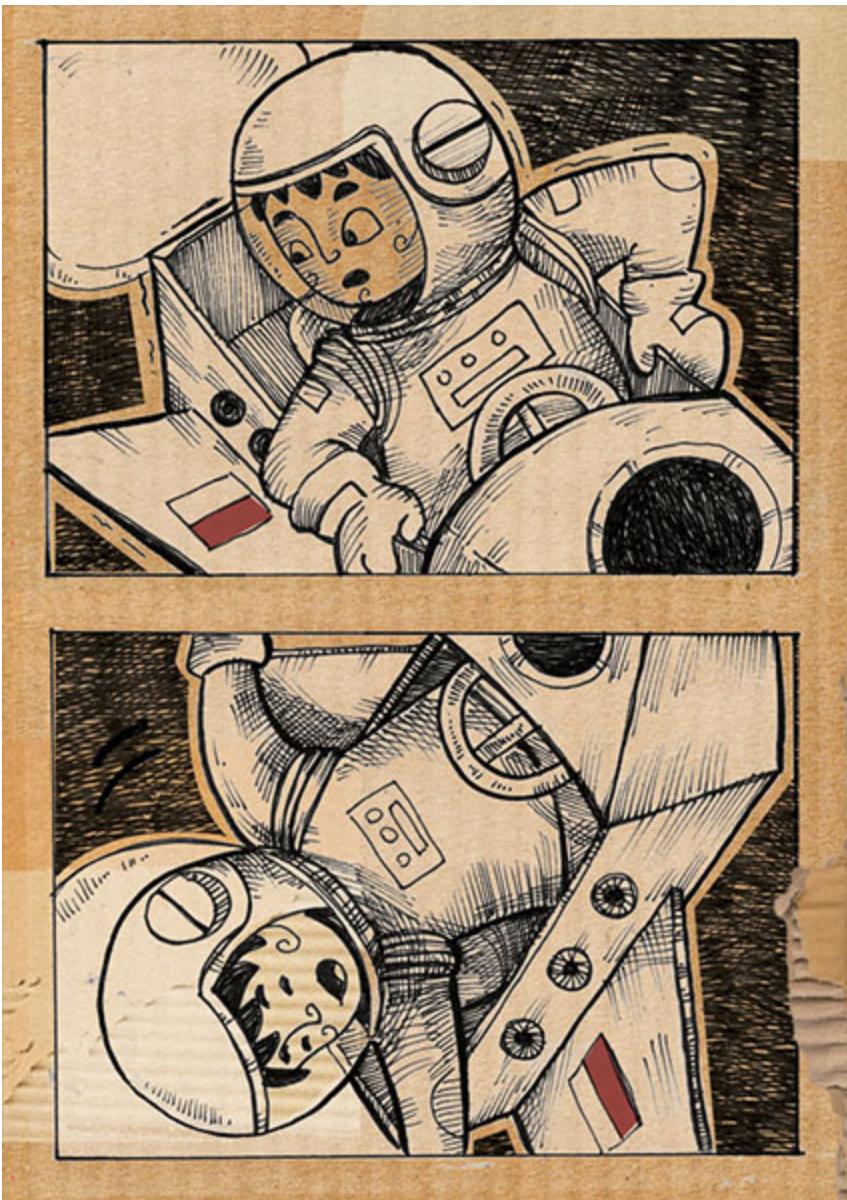

There it is! It's Boni's planet.

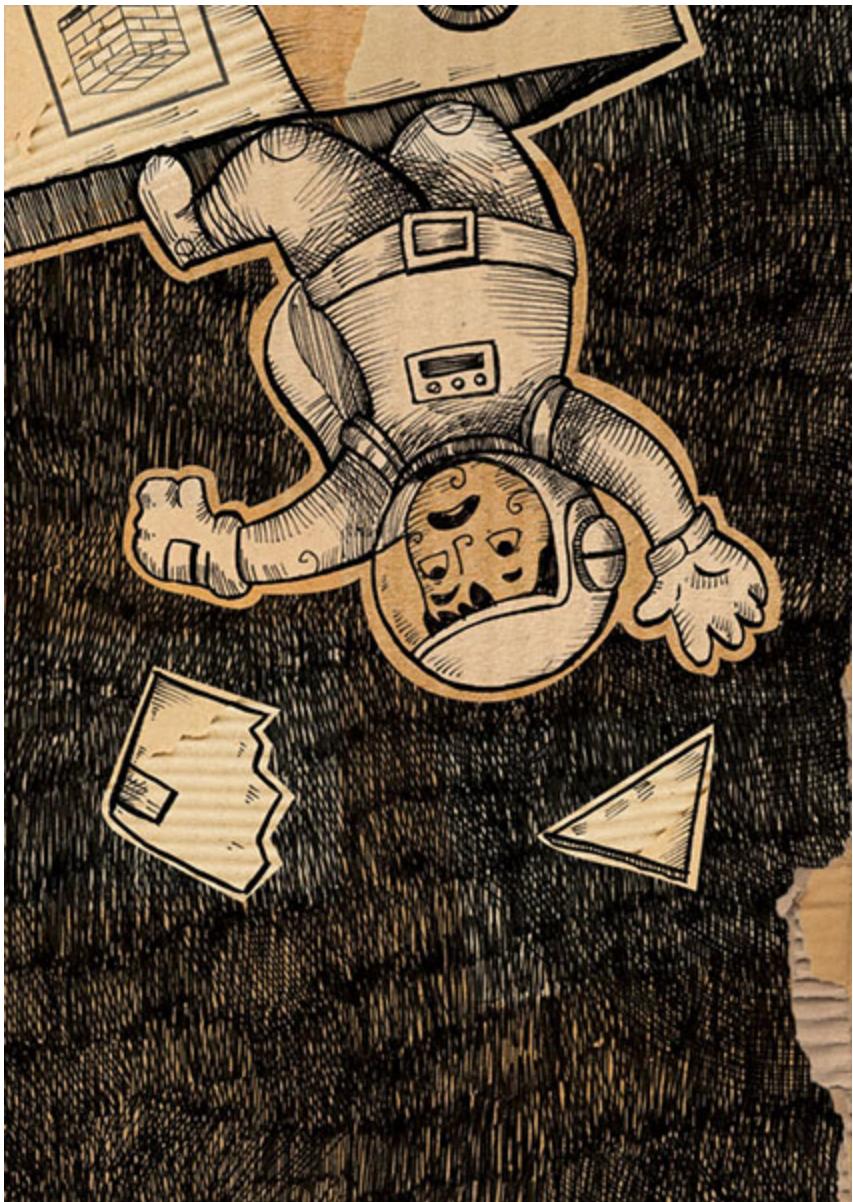

Oh no! A big monster is guarding it.

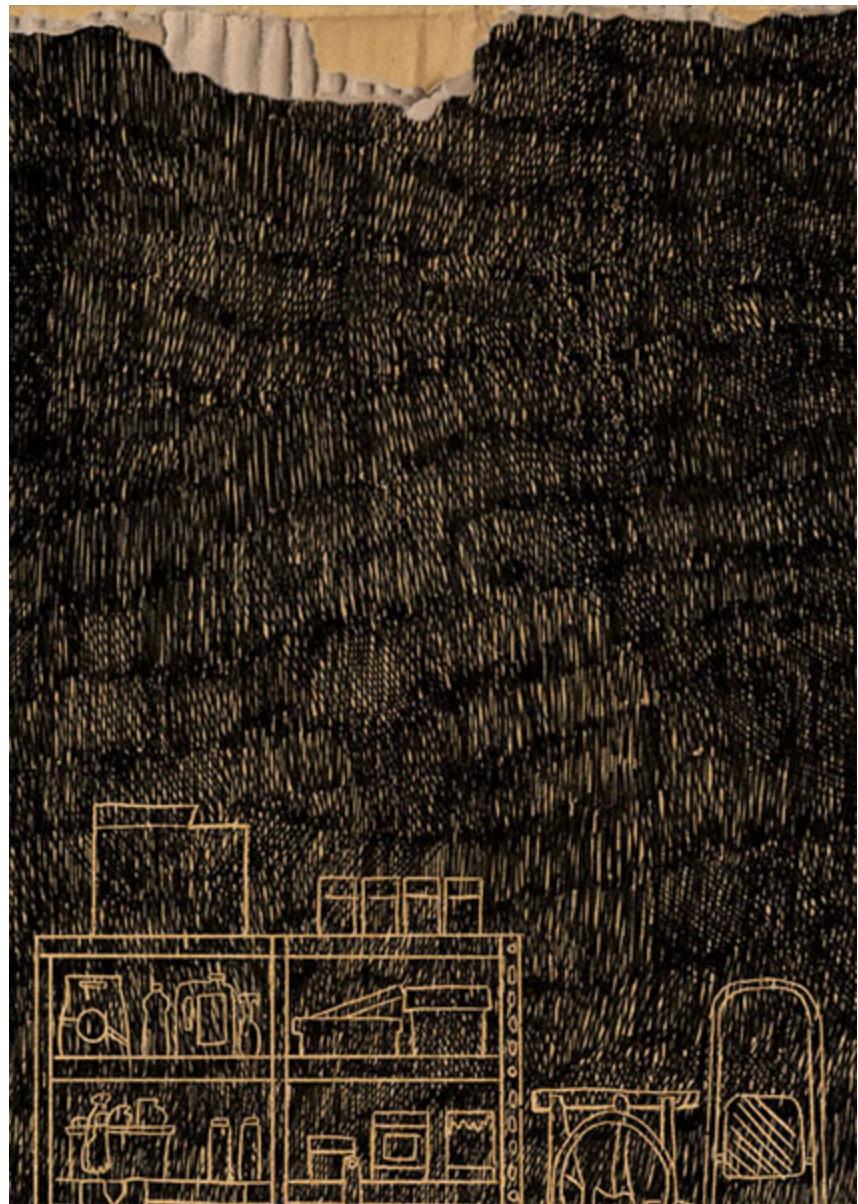

Boni is not giving up. He's going to get that planet. Ouch, Boni bumps into the spaceship.

The spaceship shakes, wobbles, and
topples upside down!

Whooooooooa

Oh no, the spaceship is completely
broken. "Help!"

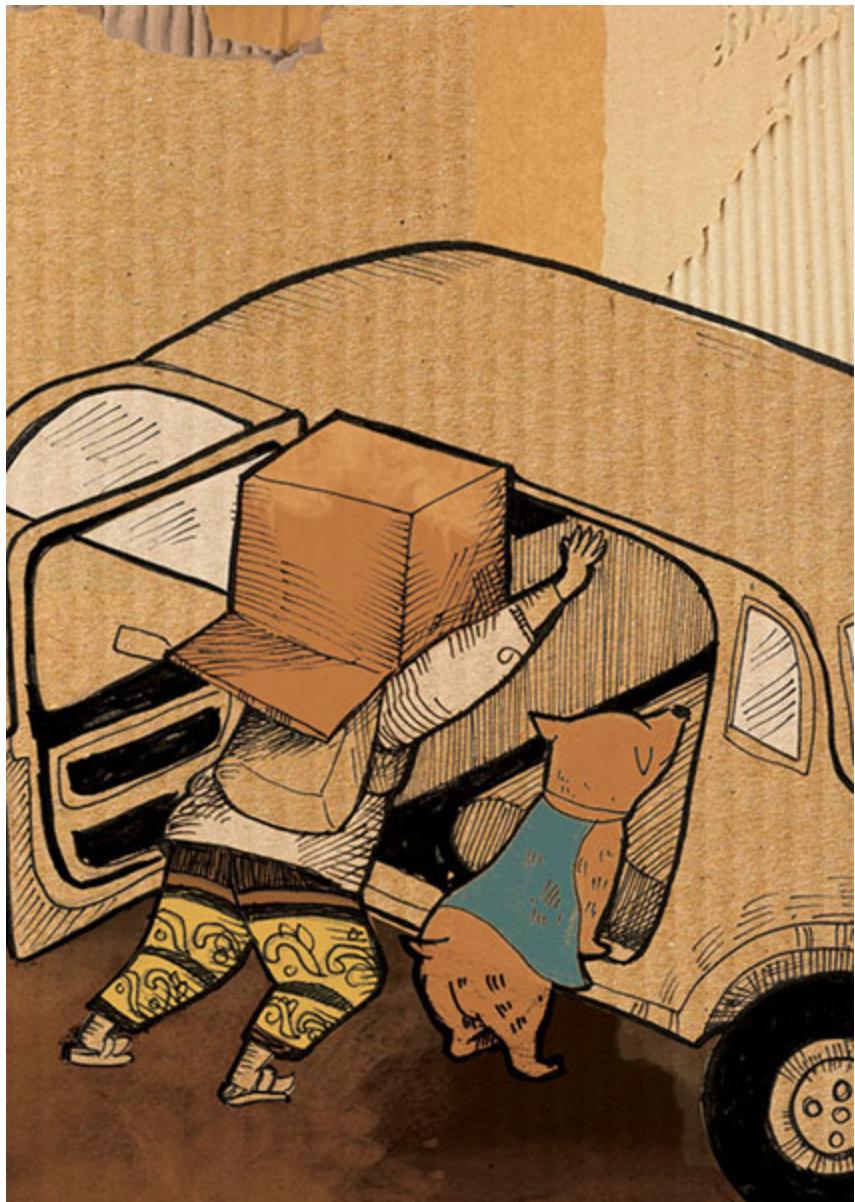

"Tiwi?"

"Why are you playing here in the basement? It's so dark in here. Let's go! Dad is waiting in the car," Mom says. "We had to find Boni's missing

ball, Mom. Boni can't leave without it," Tiwi answers.

"Now let's have another expedition!"

©2019, The Asia Foundation. The book creation project features mighty girls and women as the main character(s) of the story and involve female writers, illustrators, editors, and designers. This book was created through a book creation workshop conducted in collaboration between Litara Foundation and The Asia Foundation with the support of Estee Lauder. The workshop and professional development, along with

the editing and design of this book,
was conducted by Litara Foundation.
