I Love My Planet

Author: Peter Reichenbach

Illustrator: Patrick Bartsch

When I go shopping...

I do not use plastic bags
but I use cloth bags instead.

I never litter.

I put all my rubbish

in the bin.

I recycle and sort my rubbish
into different bins.

When I see other people littering...

I remind them of the right thing to do.

I always turn off the lights

when I am the last person

to leave the room.

I do not overfill my plate,

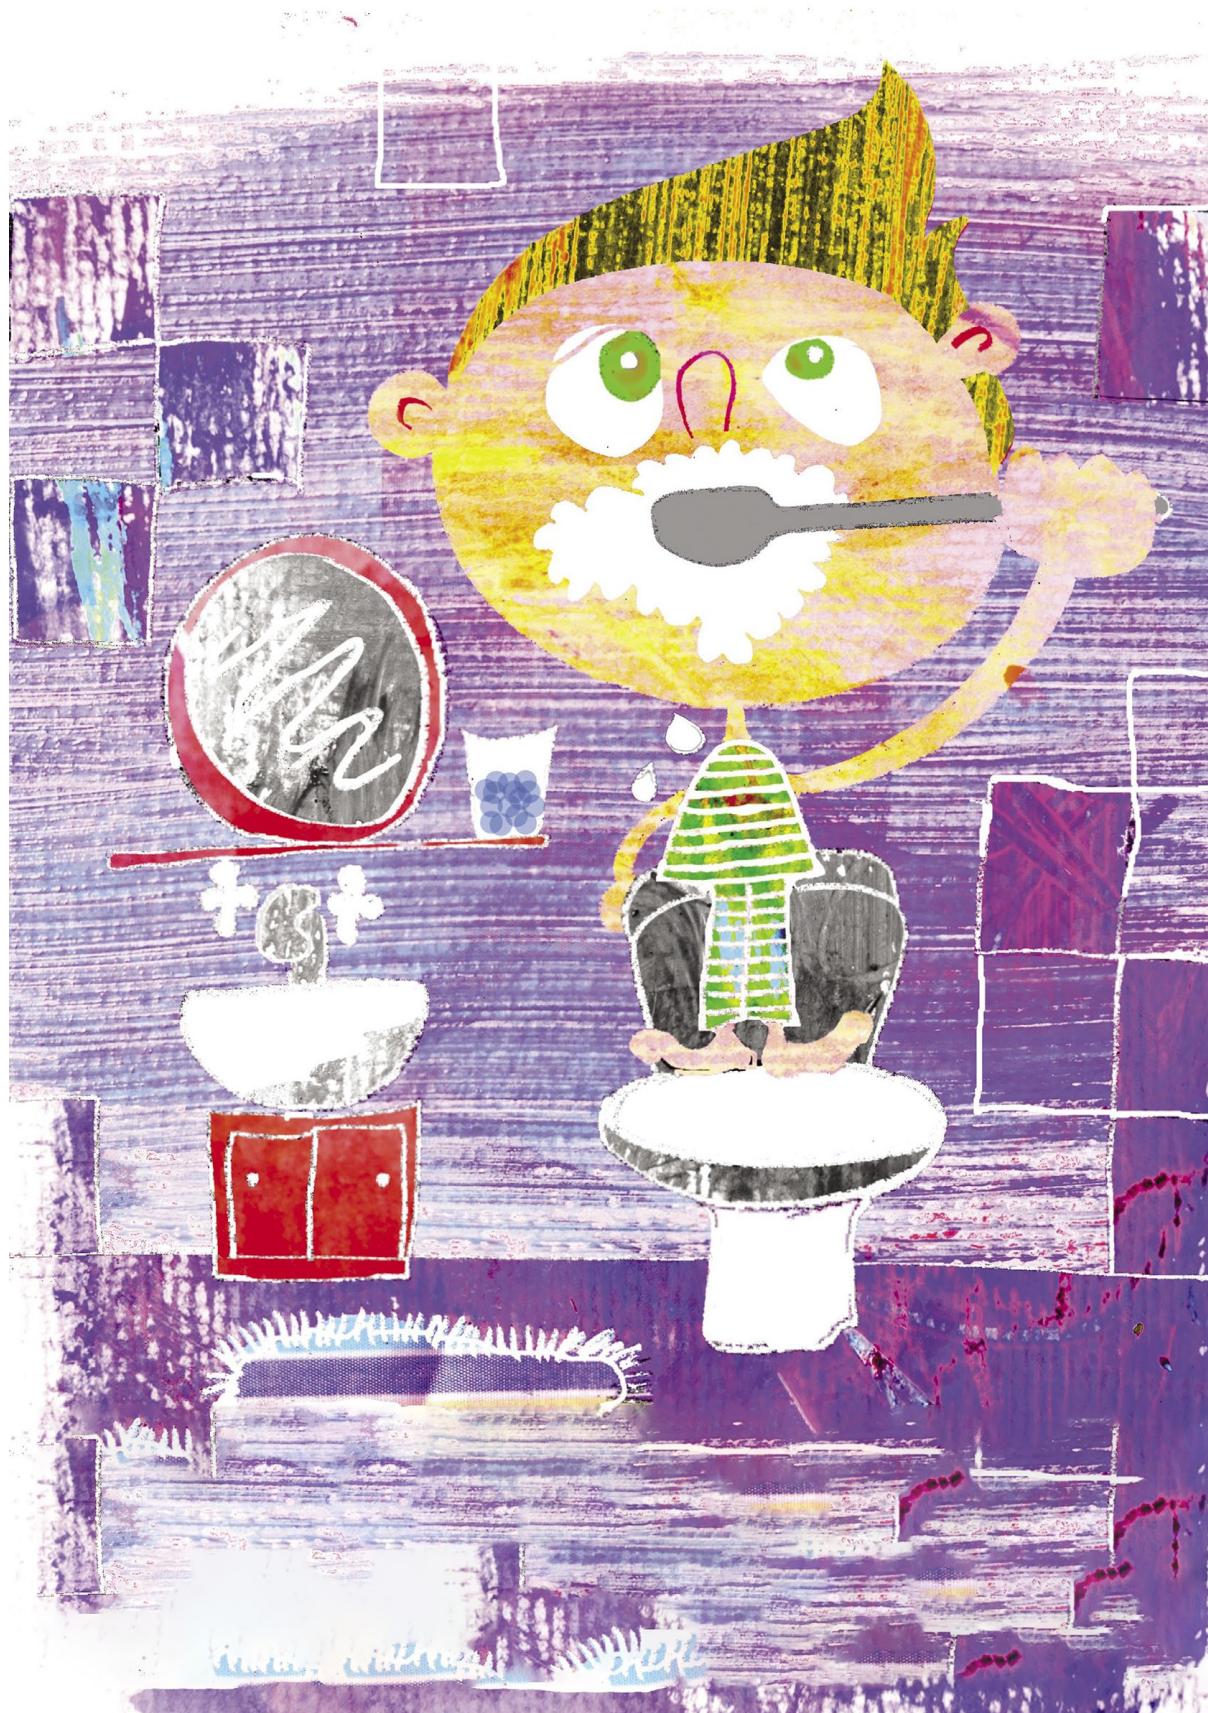

so I do not waste food.

I try not to watch too much TV...

...and spend my time
playing outside instead.

I turn off the tap while brushing my teeth, to make sure I do not waste water.

Water is precious.

I remind my family and friends
to re-use their bathwater
to water the plants.

I give away or exchange books
and toys I do not need anymore.

Instead of travelling by car, my
family and I try to take the bus...

or cycle...

or walk.

I save our trees
by drawing on both sides
of the paper.

I plant herbs and flowers in the garden and help to keep our earth green...

I water them
to help them grow.

I make my own colours
from flowers and vegetables.

We are the children of Gelsenkirchen!

and this is how
we love our planet.

I Love My Planet (English)

Loving the planet also means taking care of it. Read to find out how these children do their bit to take care of the planet they love.

This is a Level 2 book for children who recognize familiar words and can read new words with help.
